

GREEN GRASS

There was a hole -- In the ground
The prettiest little hole
That you ever did see.

Oh the hole in the ground,
And the green grass growing all around all around. HEY.

And in that hole -- there was a trunk
The prettiest little trunk
That you ever did see.

Oh, the trunk in the hole,
The hole in the ground etc.

The limb on the trunk....
The branch on the limb.....
The twig on the branch....
The bud on the twig....
The bug on the bud
The spec-o-dust on the bug....
The Volkswagon on the spec-o-dust...
The elephant on the Volkswagon.
