

OLD WAWAYANDA

Chorus:

Daddy won't you take me back to old Wawayanda
Down by Biscuit River where Paradise lay.
Well I'm sorry my son but your too late in askin'
Mr. Carey's old Rec Hall is all laid away.

1. When I was a young boy at old Wawayanda
Just 2 hours from the city so peaceful, sublime
In Mr. Carey's old Rec Hall the K. Court in session
Got a pie in the face and had me a time.

Chorus

2. Got a little bit older and so did that Rec Hall
All them pies in the face they made me a man.
Then Chuck White came along with the world's largest shovel
And knocked it all down for the progress of Camp.

Chorus

3. Sang songs and made friends in a hall they call "dining".
'Til a fire burned through her, though the sign said 'Build strong'.
Then Chuck White came in with the world's largest slide rule
And figured it out and sang me this song.

Chorus

4. When I die let my ashes flow down Biscuit River,
Let me roll on in water the color of sky.
I'll be half way to heaven at a new Wawayanda.
Saying Wawayanda spirit it never did die.
